## Speakers

### John Weston, D.D.S. F.A.A.C.D.

DR. Weston is a native Californian who received his doctorate from Oklahoma University in 1989 and graduated with Honors. As a commissioned officer in the US Navy, he received multiple advanced medical certifications while completing a General Practice Residency at Naval Hospital, San Diego and served independent duty in support of Desert Storm. Dr Weston has earned the credential of "Accredited Fellow" by the American Academy of Cosmetic Dentistry (AACD), an honor shared by fewer than 51 clinicians worldwide. Dr. Weston is past Chair of the AACD Professional Education Committee and has served two terms as an elected member to the Board of Directors. He is currently an active Accreditation and Fellowship Examiner and is now serving a three-year term on the American Board of Cosmetic Dentistry. He lectures nationally and internationally, publishes articles, evaluates new dental products and has been practicing in La Jolla for the past 20 years with an emphasis in reconstructive and esthetic dentistry. He is owner and director of "Scripps Center for Dental Care," a multi-specialty dental center located at Scripps Memorial Hospital, La Jolla CA.

### Jeff T. Blank, DMD

Dr. Jeff Blank graduated from the Medical University of South Carolina, College of Dental Medicine in 1989, and maintains a full time private practice at the Carolina Smile Center in Fort Mill, SC where he emphasizes complex restorative reconstruction and cosmetic enhancement procedures. He is the owner and Chief Clinical Instructor for New Millennium Education, LLC, which offers affordable post-graduate mentoring programs tailored to the specific needs of clinicians and team members. He has authored over 75 clinical manuscripts, contributed chapters to textbooks and has presented six scientific abstracts at the International Academy of Dental Research. He is a Fellow in the Academy of Comprehensive Esthetics and the International Academy of Dental Facial Esthetics, and an active member numerous professional dental societies. Over the past 13 years, Dr. Blank has presented over 150 lecture programs throughout North America, Europe, Asia, Malaysia, India, Latin America, Africa and the Middle East on a variety of dental disciplines. He holds a U.S. Patent for a composite finishing instrument, and is the creator of the Histological Layering Technique.
